Good Life

Songwriters: Brent Michael Kutzle; Noel Zancanella; Eddie Ray Fisher; Ryan Tedder

Woke up in London yesterday
Found myself in the city near Piccadilly
Don't really know how I got here
I got some pictures on my phone

New names and numbers that I don't know
Address to places like Abbey Road
Day turns to night, night turns to whatever we want
We're young enough to say

Chorus: Oh, this has gotta be the good life
This has gotta be the good life
This could really be a good life, good life
I say, "Oh, got this feeling that you can't fight"
Like this city is on fire tonight
This could really be a good life, a good, good life

To my friends in New York, I say hello
My friends in L.A. they don't know
Where I've been for the past few years or so
Paris to China to Colorado

Sometimes there's airplanes I can' t jump out
Sometimes there's *** that don't work now**
We are God of stories, but please tell me
What there is to complain about?

When you're happy like a fool, let it take you over
When everything is out you gotta take it in
(Chorus)

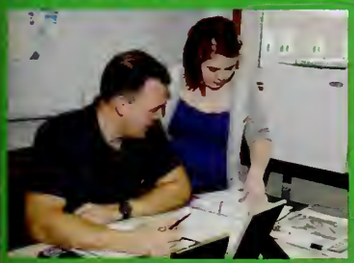
Hopelessly
I feel like there might be something that I'll miss
Hopelessly
I feel like the window closes oh so quick

Hopelessly
I'm taking a mental picture of you now
'Cause hopelessly
The hope is we have so much to feel good about

(Chorus)
Oh yeah, good, good life, good life, oh, this is

To my friends in New York, I say hello
My friends in L.A. they don't know
Where I've been for the past few years or so
Paris to China to Colorado

Sometimes there's airplanes I can' t jump out
Sometimes there's *** that don't work now**
We are God of stories but please tell me
What there is to complain about?



Good Luck at Your New Job Mr. Bedrosian!
